

Boat cards

Only property owners are entitled to a boat card - renters will not be issued a card. There is only one card issued per property regardless of the number of owners. New property owners that join the association will receive their boat card for \$10.00. Non members pay a \$25.00 fee for the card. Replacement cost for lost cards is \$15.00 so hang on to them. In case of a lost or stolen card contact the association secretary as soon as possible so the card can be de-activated. When your property is sold, please turn your boat card in to the secretary.

The board of Directors set the policy regarding boat cards and the use of the boat ramp and gate. In accordance with Ponderosa Utilities rules, only the property owner, their children and grandchildren are allowed boats on the lake. To help with enforcement of this rule, if any other person is caught using a boat card improperly, the card will be confiscated and/or de-activated. The lot owner will need to pay a \$75.00 redemption fee to get the card back. Only the above mentioned family members can use the lot owner's boat card and the lot owner should accompany that person to the boat ramp to launch the watercraft.

You can reach the secretary, Laura Allen at 641-623-4983. She can activate, distribute, and de-activate all boat cards.
