April 9, 2026, LPA Meeting Minutes

Minutes from the prior meeting were provided prior to the meeting. No questions from the board members. Motion by Jimmi seconded by Tom to approve the minutes.

Financial Reports- There were no questions regarding the prior month's financial reports. Motion by Tom second by Jimmi to approve the reports

Open Forum: No non board members present at the meeting.

LPA Web site: No update

Big Fish Contest: No update

Open Board Member Positions: Wolfgang Strovers will be joining the board. Welcome.

Boat Ramp Area: Jimmi will get a hold of Baker Communications to see when the plan to install the new exit gate. Karen will also email them.

Red Flag/High Water: Jimmi brought in the flag that will be placed on top of the buoys for high water warnings when needed. The lake patrol will place the flags on the buoys when the water levels are too high, and it needs to be no wake. The bracket that the flags will be placed in will be permanently attached to the buoys so all they will need to do is place the flag. Street Rod has made the poles, and Jimmi will get an invoice so they can be paid.

Entrance 5 Sign: The signs are made and we need to figure out what location will be the best to place the new signs, so they do not get hit and destroyed.

Julie Maas Memorial: The benches have been designed, and Karen will meet with Barbie to figure out the locations of the bench or benches. Preferably concert pad can be poured to secure the benches too. It was discussed about putting a metal plaque on the back of the bench so in 20 years people will know the story.

Fireworks Show Planning: See new business

New can cage: It is process of completion. Would like to start using this after Memorial Day weekend. Ahrens have paid for the gravel we needed, and Joey removed all the trees and leveled the gravel. We will need to figure out a device to hold the doors open, so the wind does not slam them shut. Jimmi is looking into a few options. The was one device he showed us at the meeting that may work. We would need 4 and they are $51.00 each approx.. Amy is working on signage. It was discussed about keeping all the supplies in one of the compartments and discussed about not taking glass anymore. If we keep taking glass, we will have to pour a concrete pad for the glass containers.

LP Tank: Karen will get a hold of Sully to ask for it to be painted.

June Anchor: Articles discussed: Lake beautification (Terri or Marilyn Karen text Marilyn) , Derby Karen, Pancake breakfast, Fireworks Jimmi, New can cage Amy Alfrey (Jimmi will talk to her)

Fishing Derby: Plans are in the works.

New Business:

Fireworks Show: It was voted on spending 33K. This will take up most of the funds we have.

Pancake Breakfast: Date wrong in the Anchor. May 23rd is the date. Looking to see if we can get an outside vendor to do this or the youth group. Most board members cannot be there, and volunteers have been hard to get the last couple of years. We have had some great ones, but most board members have always been there.

Part Time Admin Position: We have had a few people reach out about this position. A detailed job description will need to be formed, and it was discussed to meet with all of them to see who the best fit for the job would be. We discussed how this person would be paid. The best solution would be an independent contractor at a set rate per month. Some months there is a lot to do and other months not much. If we paid this person $500.00 per month that is equal to 120 memberships.

New Flag/Boat Ramp: Jimmi will take care of this.

Meeting adjourned at 8:09 P.M.

Next meeting Thursday May 14, 2026, at 7:00 P.M.
