Nothing new to report

Old Business:

Memberships to Date: Dedee will share at the next meeting.

LPA Website: We are still working on this.

Big Fish Contest: The app is up and running. Megan will work on facebook posts. $100 pay out per category for the largest panfish, bass, channel cat, flat head, and walleye.

Open Board Member Positions: We are still looking for board members.

Boat Ramp Area: Dedee is sending information to the claims adjuster. Jimmi is going to get a quote for the post that was hit. We also need to replace the corner cap on the west dock.

Entrance 5 sign: Thanks to Barbie for letting it stay in the garage. Megan will email Barbie to follow up.

Julie Maas Memorial: Karen will share at the next meeting.

Propane Tank: Please update us at the next meeting.

New Can Container: Dividers will be moved when we get the old container down. The volunteers want concrete instead of rocks. This is very expensive. We will start looking at more cost effective ideas like pea gravel, horse mats, etc. We would like to hold the July meeting at the boat ramp to look at it and the new can container. Megan will invite Amy and Barbie.

June Anchor: It was printed!!!

Pancake Breakfast: We had 17 to go orders, 193 people dined in, and 25 volunteers. Karen please inform us at the next meeting as to what was made.

Fishing Derby: We need to remove this from the website.

Fireworks Show: Dedee will work on getting the permits. We have paid for the show in full. Dedee will also talk to the deputies about helping on that day.

New Business:

Annual Meeting: The annual meeting had a date change to June 27th.

Tasks for Megan: Please continue to let Megan know what jobs she can work on.

We will plan to meet at the boat ramp for our next meeting.

We spend the rest of the meeting time going through everything for the fishing derby.

The meeting was adjourned at 8:00pm.

The next meeting is Thursday, June 9th, 2026 at 7:00pm.
