

LPA Board Meeting Minutes

6-13-2024

Attended: Dedee, Jimmi, Kevin, Curt, Tom, Jeremy, Desiree, Kolton, and Karen.

Meeting called to order at 7:00 P.M.

Meeting minutes: 1st Kevin 2nd Curt approved by all.

Treasure Repot: 1st Jimmi 2nd Kevin approved by all.

Open Fourm: Welcome bags will be taken over by Jim and Kim Knoblock with the help of a board member. Desiree will help with this. Barbie will still help hand them out at the office. It was suggested if time permits that the new people be taken around the lake in a ranger to give them a tour of the lake by road.

Boat Ramp/Dock: It was a unanimous vote to take bids on the old dock we are selling.

Buoy: Change out the buoy at the mouse hole on the east lake.

Fish Management: Shock both lakes will be done to give the biologist a good read on both lakes. The cost to shocking is \$2,200 for the west lake and \$2,200 for the east lake. The shocking will be done every 3 to five years depending on the biologist recommendation. Stocking will also be done per the biologist recommendation.

911 signs will be taken over by Jeremy.

Old business: Fireworks Insurance is being secured. Vicki will continue to coordinate the fireworks as a non-board member.

LPA Website is still in the design phase. Things moving along well.

Summer Trash deposal went well. This may be done every other year. 36 families dropped of trash and in total filled 3 roll off dumpster.

New Business: Event signage: Ed will take some of the old signs and have them redone for derby and pancake breakfast. We need a few more of those. Karen will talk to Lon Fisher about a sign for the donation of the new dock and a sign that say ramp ends here so people do not go off the end of the ramp when launching their boats.

There was a request to name the north by on the west like. It has not been given a name yet.

Board positions will stay the same other than Desiree will be the secretary as this position was available due to the board member that was doing this has left the board.

Potential 2024-20025 projects being discussed are replace siding on LPA building and the garage, update the bylaws and any other suggestions people may have. Some of them are the shoreline at the boat ramp and concert at the boat ramp.

Kolton brought up the idea to give back to families in Poweshiek County that are in need. This would be done by having a fishing tournament to raise money.

Meeting adjourned at 8:45 P.M.

Next meeting July 11th at 7:00 P.M.
